NOTICE TO THE PUBLIC

President Rodrigo Duterte announced the temporary lockdown of Metro Manila effective March 15, 2020 to April 14, 2020 in the hope of containing the spread of Covid-19 to the provinces which has been considered serious threat to the health security of the Filipinos in general.

In response to this declaration of the President and in the expectation that several residents of this city would return coming in from the Manila area, such individuals are urged to cooperate with the existing advisory of the Health officials and do a **self home quarantine** for 14 days as well as coordinate with the local Barangay Officials and Barangay Health Emergency Response Teams (BHERTS).

Hoping for your full cooperation in this important undertaking.

OSCAR S. MORENO
